2026-27 Representative Squad Selections

Thank you to all the players who participated in the representative trials and thank you for your patience while we completed our Selection Process.

Once again, as per every year, the standard was very high. For Players who couldn't attend the respective trial date due to injury, we have considered past performance. If your name is not on the list this year, we thank you for participating and we hope to see you again at next season's representative trials.

We are pleased to announce the players listed below have been selected in Respective Age Group Male Youth Championship Squads. These squads are designed to assist in the development of players we feel can play Representative Cricket in future seasons for HK&HDCA. Regular Pre-Season Training for these selected Squads will start from July 2026.

U10 Boys is the final team. For all other Age Groups, there will be another final Centre/Net Wicket Trail before the start of the season to select the players into Division 1 and Division 2 Teams.

All selected players will receive further communication regarding pre-season training, uniform orders and player registration from their respective Age Coordinators in due course. In the meantime, if you have any questions, please email HK&HDCA Rep Management at HKReps0@gmail.com
