# PRESIDENT'S REPORT

## PRESIDENT'S MESSAGE

Welcome to the Centenary Annual Report for the Hornsby Ku-ring-gai & Hills District Cricket Association (**Association**).

### **The 2025/26 Season**

Another great season for the Association, especially in our centenary year. Great displays by the clubs on and off the field with games celebrating the season.

Our junior mixed and girls' competitions continues to grow with strength. This season saw us establish our own Stage 2 girls' competition.

Our fine representative cricket teams also continue to demonstrate their high standard of cricketing excellence. Congratulations to our under 14 girls representative team for winning their Youth Championship grand final, and to our under 12 division 1 team making the Cawsey shield grand final.

The senior cricket competition is a fine example of "cricket for life" – mates and friends, parents and their children (sometimes "kidults"), siblings and relatives - all combining in the love of the great game.

### **Thank you**

Thank you to each of our **affiliated clubs**, the quiet contributors — the coaches, umpires, scorers, team managers, groundsman, parents, and volunteers — whose names may not always appear in lights, but without whom cricket simply does not happen. This Association is built on your commitment.

Thank you to our **Association's council and executive members** who continue tirelessly ensure cricket in our Association remains the example for others. I especially want to thank our competition secretaries **Mark Farag** (Junior), **Rob Hanich** (Senior) and **Amanda Fraser** (Girls), **Paul Byrom** (Representative Cricket secretary) and **Scott Reid** (Executive Officer) for their particular hard work and time commitment in delivering quality competitions this season.

Thank you also to our **patrons** and our **Life Members**, who embody service over decades and are the guardians of the values our Association holds close. Thank you for your ongoing support and guidance, especially during this centenary season.

Thank you to our affiliated bodies, the **Umpires Association (HKHDCUA)** for the continued quality umpiring this season, and the **Coaches Association (HKHDCCA)** for the high standard of skills and character HKHDCCA teaches and nurtures in our developing cricketers.

Thank you to **Northern District Cricket Club**, we greatly value and look forward to continuing to develop our integral relationship that is at the heart of fostering our junior and senior cricketing excellence in our community.

Thank you also to **Kookaburra** and to **Hornsby RSL** for their continued outstanding support for community cricket in our area.

Two long standing members of our executive are standing down from the executive after outstanding service of many seasons. **Rob Hanich** served 9 seasons on the executive, starting as Honorary Umpires Association Secretary in 2017/18, before taking on the Junior Competition secretary role for seven seasons. For the past two seasons Rob has been the Senior Competition Secretary, the first year he juggled both the junior and senior roles. **Bruce Wood** (OAM) has served 19 seasons on the executive, starting as Honorary Umpires Association Secretary. In 2010 Bruce helped establish the Coaches' Association, being the inaugural President and only stepping down from President at their recent AGM. Thank you to Rob and Bruce for your contributions to cricket in the region.

**Amanda Fraser** is also stepping down as Girls Competition Secretary, but will continue on the executive as a general member. Amanda has served for three seasons, helping set the all girls stage 1 Friday night and all girls stage 2 competitions.

### **100 years of community cricket excellence – cricket for life**

At the Association centenary gala dinner, we spoke of "cricket for life".

For one hundred years, this Association, meaning each of you and your clubs, has provided a place for juniors discovering the game, players developing pathways and skills, seniors and veterans continuing their involvement and for people from diverse communities coming together around a shared love of cricket.

Friendships formed here often outlast playing careers. Even when years pass between seeing teammates, the bond remains.

This season marks one hundred years of matches played and seasons completed — but more importantly, one hundred years of people, community and a shared commitment to cricket as a lifelong pursuit.

As we look to our second century, the challenge before us is clear. We must honour this legacy while embracing change. Cricket, our national sport, must remain accessible, inclusive, and relevant. That requires strong leadership, sound facilities and opportunities for people of all ages and abilities to participate.

## **PRESIDENT'S REPORT**

For one hundred years, our Association has moved quietly forward through time — shaped by seasons, sustained by participation, and renewed whenever someone chose to step forward and take part.

What endures is not simply the record of matches played, but the continuity of involvement: contribution matters, and the strength of any community lies in those prepared to invest time and effort without expectation of recognition. For a century, that understanding has shaped our Association.

This centenary is not just a celebration of the past — it is a promise to the future. A promise that the values, friendships and joy found through cricket will carry forward for generations yet to come.

As this centenary chapter draws to a close, the next is already underway. Its direction will not be determined by a single decision or individual, but by the same quiet acts of stewardship that have carried the Association this far — participation, responsibility and belief in the value of community sport.

So let us recommit ourselves to cricket for life, and bat on for the next century.

Justin Gross  
President

# Centenary Dinner

On Thursday 19th February 2026, our cricket community came together to celebrate 100 years of the Hornsby Ku-ring-gai & Hills District Cricket Association — and the showroom at Hornsby RSL was filled with the very people who have shaped that story. From Life Members and long-serving volunteers, to current players, emerging leaders, sponsors and distinguished guests, it was a powerful reminder that our Association has always been about more than cricket alone. It's about community. It's about belonging. It's about the relationships that endure long after the final over.

Thank you to every club and guest who joined us to mark this milestone. Your presence made the evening truly special.

Thank you to the members of the Centenary sub-committee for their hard work: Alf James (OAM), Bruce Wood (OAM), Bruce Parker, Bill Peterkin, Brian Mathias, Gavin Wingfield, Scott Reid, Lauren Gason, Justin Gross and treasurer Tim Davidson for paying all the bills.

Thanks to Tim Gilbert who excelled at master of ceremonies and time keeper, and to our special guest speaker Brad Haddin who had the audience in the palm of his hand with his stories of his professional cricket journey. All the best for your new role as coach of NSW.

Thankyou to our sponsors (page 10) and to our auction donors: Bruce Parker, Andrew Miedler, Tim Gilbert, Bruce Wood, Cricket NSW, Venues NSW, Kookaburra Sport and Legends Genuine Memorabilia. Thankyou to our Q&A panellists Brad Haddin, Alf James, Katie Mack, Zach Rapa, Mark Rushton and Bruce Wood.

Special thanks to Lauren Gason whose outstanding professionalism as event organiser helped make the night a success. From professional social media promotions, to organising club confutes, MC, guest speaker, invitations. This list is endless. Your attention to detail and commitment to excellence made the night the success it was.

# Centenary Dinner

As part of the centenary dinner, each guest received a specially commissioned centenary coin, organised by Bruce Wood. The coin has the association's centenary emblem on one side, and the Australian coat of arms on the other, based of the 1926 Australian Florin.

Alf James published two books as part of the centenary. The Summer Saturdays book published as part of the 75th anniversary was updated for the past 25 years. A statistical book was also published that contains a list of award winners and records across our history in our senior, junior and representative teams. We thank Alf on the enormous amount of research required to produce an accurate record of our 100 years.

# OUR SPONSORS

## **KOOKABURRA SPORT**

Kookaburra has been a major sponsor of our association since 2003-04. The main financial benefit to clubs is a ball rebate for competition balls in our senior and junior competitions. The generous sponsorship agreement covers all types of approved balls for each of our competitions, and a minimum sponsorship amount per season.

For the Glenn Hourigan and Ross Turner Cup representative fixtures, Kookaburra provide match balls, stumps as well as player of the match awards for each team.

Vouchers for cricket equipment are provided to six junior players selected for Rising Star awards.

The association has recently signed a new 3 year sponsorship agreement with Kookaburra.

## **HORNSBY RSL**

Hornsby RSL is a major sponsor of our association, providing free room hire for ordinary general meetings, annual general meetings, planning meetings, disciplinary meetings, sub-committee meetings and presentation nights.

The club provided the main showroom at no charge for a centenary dinner celebration in February.

The association has been successful in securing grant funds to help support the growth of girl's cricket, as well as separate grant funding to support our junior and representative cricket programs. We thank Hornsby RSL president John Warren and the Hornsby RSL Board for their support of cricket in the region.

The club provides an important venue for community and entertainment with their mission – 'to achieve excellence in serving our community by providing exceptional customer service and first class facilities'. Their mission is underpinned by their values of respect, innovation, care and engagement.

# GROUNDS REPORT

Ground capacity remains an issue across our 3 competitions. There were not enough grounds to hold all senior competition games on Saturdays, so grades B to D2 were rotated to play a round on Sundays.

The infrastructure fee introduced last season was modified to \$5 for senior registrations this season and was extended to include junior registrations. Funds raised are aimed to help fund future facility upgrades and capital outlays to support cricket in the district. A new set of covers were purchased for Kenthurst as well as a new strip cover and hessian for Turramurra Memorial, along with new hessian for Parklands and Berowra.

For a change rain wasn't prevalent on Fridays, making life easier on the curators and resulting in more cricket for our top grades.

## **HORNSBY SHIRE COUNCIL (HSC):**

At the start of the season, Hornsby Council replaced the synthetic wicket surfaces at Normanhurst, Headen and Thornleigh ovals. Surface remediation works were also undertaken at Thornleigh to reduce flooding at the south end of the pitch.

The pitch at Cheltenham oval was extended by 2 metres at both ends of the pitch to improve safety to bowlers and meet minimum Cricket Australia guidelines.

New toilet facilities were opened at Montview oval. Asquith Rugby League eagerly await the completion of a new set of cricket nets currently being built at the south end of Storey park.

Hornsby Council provide the most grounds with 20 synthetic wickets used on a full day basis and 6 on a half day basis.

Darron Green produced turf wickets of a high standard once again at Berowra and Parklands during the season.

## **KU-RING-GAI MUNICIPAL COUNCIL (KMC):**

Remediation works on the outfield at Mimosa meant the oval was out for use for a couple of months. NSJCA allowed us to use Warrimoo oval to help whilst Mimosa was out of action. Council also quickly repaired damage to the outfield at George Christie made by would you believe cockatoos.

The synthetic surface was replaced at Carrington oval. Hassall park masterplan works included the construction of a new set of 5 lane cricket nets.

The association schedules games on 16 grounds in Ku-ring-gai council, with 4 used for junior games only and 4 for senior games only, including turf wickets at Turramurra Memorial and The Glade.

## **THE HILLS SHIRE COUNCIL:**

The surface at Fred Caterson 2/3 was replace at the start of the season. A worn Glenhaven surface was replaced prior to Christmas due to vandalism, and the wicket surfaces at both Les Shore ovals were replaced prior to the finals.

A total of 13 synthetic wickets are used within The Hills Shire Council, three of which are for junior cricket only.

Special thanks to the Kenthurst Upper Hills cricket club who took on the preparation of the turf wicket at Kenthurst just prior to Christmas. This is our only turf oval where council does not provide staff for the preparation of the wickets. Thankyou to club president Andre Bertolo and to Rob Stuart who take on the bulk of the responsibility of wicket preparation.

## **SCHOOL GROUNDS:**

Our junior competition play games at 5 primary schools and PHHS in the district, and Northholm Grammar is utilised by both junior and seniors.

The Thornleigh club invested a lot of hours over the Christmas holiday break in returfing around the wicket at Thornleigh West Public School and watering the turf to ensure all their hard work was not in vain. The club should be congratulated for this initiative.

The association would also like to thank Barker College for allowing some of our representative teams train at the school, and the school host some of our under 14 and under 15 NSW Youth Championship home games.

The Coaches' Association (HKHDCCA) had another successful year in 2025-26, as briefly outlined below.

Junior cricket clinics (in partnership with NDCC) – The Coaches' Association conducted 6 cricket clinics during the school holidays at Mark Taylor Oval, Waitara, including the Indoor Centre. A total of 492 children attended the six clinics, which averaged an impressive 82 boys and girls per clinic. The clinics cater for all cricket standards from beginners to representative standard players. The Coach / Players ratio across our school holiday clinics was an impressive 1 / 7, which provided plenty of individual coaching for the children. HKHDCCA presented its prestigious Phillip Hughes Medal at each clinic, plus many other awards and certificates.

RTC and GHC – The Coaches' Association co-ordinated the 28<sup>th</sup> annual HK&HDCA U/15 Ross Turner Cup and 23<sup>rd</sup> U/13 Glenn Hourigan Cup 'showcase' matches, which took place on Sunday, 15-Feb-26 at Turramurra. Thanks to Connor Hindmarch and Tyler Lang for selecting the rep. players for the four teams, and for coaching the RTC teams. The two GHC coaches were Ben Burrows and Zach Rapa. RTC umpires – Scott Reid & Bruce Wood; GHC umpires – Alf James & Steve Williams.

Retiring President – HKHDCCA's inaugural President, Bruce Wood OAM, has decided to retire after 16 years of wonderful volunteer service to the Coaches' Association (2010 – 2026). This means that Bruce will also stand down as the RTC / GHC Convenor, which he has undertaken since 2010-11.

HKHDCCA Coach of the Year Award (Bruce Wood Cup) – This prestigious award was won by Madeleine Mitchell from Glenorie DCC, who coached the club's U/14 Girls HK&HDCA Stage 2 Premiership team in 2025-26.

HKHDCCA President's Award – This award was won by Tyler Lang (CA Treasurer / HK&HDCA Rep. coach).

HKHDCCA Rookie Coach Award – This perpetual trophy was won by Amelia Moyes from HKHDCCA / NDCC.

The Coaches' Association thanks Parra Leagues for its generous support of our coaching and youth development programs. HKHDCCA displays the Parra Leagues' logo on its uniforms, and holds committee meetings, dinners, social functions and tour reunions at Parramatta Leagues Club or Vikings Sports Club.

Formal coaching courses – The Coaches' Association helped with the organisation of a Cricket Australia Community (formerly Level 1) accredited coaching course at Barker College, Hornsby, on Sunday, 13 July 2025, with 18 participants. The course facilitator was Connor Hindmarch (HKHDCCA Head Coach).

Preseason skills development programs – HKHDCCA conducted beneficial pre-season programs at the MTO, Waitara Indoor Centre for Thornleigh CC; HK&HDCA U10–11 Reps; Mount Colah CC; Asquith RLCC; and St Ives Junior CC Girls, between June and September 2025, led by Tyler Lang and Connor Hindmarch.

## COACHES ASSOCIATION (HKHDCCA) continued

In-house Professional Development – Connor Hindmarch and Tyler Lang facilitated a PD coaching session for 15 regular HKHDCCA coaches at the Greenway Community Centre, Cherrybrook, on 14-April-26, on the eve of our April clinic at MTO.

BlowFly Cricket – The Coaches' Association's long-standing partnership with BlowFly Cricket continued, with HKHDCCA holding a free coaching session for the Blowies on 14-Jan-26 at MTO, Waitara. Connor Hindmarch (Head Coach) facilitated a modified Community (Level 1) accredited cricket coaching course for BlowFly Cricket (and others) on 19-April-26 at MTO.

Elysa Oliveri (HKHDCCA Coach and Committee member) was selected for Cricket Australia's *Project Inspire*, part of the 10-year Women & Girls Action Plan, which is designed to increase the presence and impact of women in leadership roles across all levels of the game. She completed a series of training modules in Melbourne, and organised several Girls cricket programs in local clubs and schools in north-western Sydney in 2025.

HK&HDCA Centenary – The Coaches' Association congratulates HK&HDCA on its Centenary season celebrations in 2025-26, which culminated in a gala Dinner with 230 people at Hornsby RSL Club on 19-Feb-26. HKHDCCA was pleased to support this event with a table of committee members, coaches and volunteers. The Coaches' Association had four members on the Q&A Panel – Bruce Wood OAM (President), Zach Rapa (Coach), Mark Rushton & Alf James OAM (Patrons).

Will Byrom (HKHDCCA 'graduate' and coach) represented Australia in the ICC U/19 Men's Cricket (50 overs) World Cup, which was held in Zimbabwe and Namibia from 15 January – 6 February 2026. He had an impressive tournament, highlighted by taking 5/14 off 6.5 overs (Player of the Match) against Sri Lanka on 23-Jan-26.

Northern District CC – The Coaches' Association appreciates its ongoing partnership with NDCC, especially Jeremy Hook (President), Mike Langford (Life Member), and David McAllister (MTO Indoor Centre Manager) in the conduct of its school holiday junior cricket clinics (with subsidised access to the Indoor Centre), and with its Boys and Girls overseas cricket tours. # Blowfly Cricket

It is a privilege to present this Report for BlowFly Cricket. Over the past year, our club has continued to show just how powerful inclusive sport can be. BlowFly Cricket is much more than a place to play the game—it is a community where children, young people and adults of all abilities can feel welcome, build confidence, make friends and experience the joy of being part of a team. Throughout the year, we have remained committed to creating fun, supportive cricket experiences while also encouraging members to contribute as coaches, volunteers and leaders.

## Season Highlights

BlowFly Cricket continues to be a very special club. Our programs for junior and senior participants are about much more than cricket—they are about belonging, participation, friendship and personal growth. This season again showed how important it is to create opportunities for every player to take part in a way that suits them, celebrate their own successes and feel valued as part of our club community.

This year also delivered several key milestones for the club:

- **15% growth in player numbers**, including strong participation through the schools' program.
- A highly successful **Coffs Harbour Tour**, providing memorable experiences for our coaches and volunteers.
- Over **\$25,000 raised through fundraising initiatives**, strengthening our ability to support members.
- Continued investment in facilities and equipment, including upgrades on a needs basis and ongoing volunteer-led repairs of cricket bats and grips.

## Participation and Inclusion

At the heart of BlowFly Cricket is a simple but powerful belief: everyone deserves the chance to enjoy sport in a safe, welcoming and encouraging environment. We are proud to support members with special needs, intellectual disabilities, neurodiverse conditions and physical disabilities, and to create a space where each person is respected for who they are. Just as importantly, we continue to encourage members not only to play, but also to take on roles in coaching, mentoring and club life, helping them grow in confidence and feel a real sense of pride and connection.

## Volunteers and Community Support

Our volunteers are truly the heart of BlowFly Cricket. Week after week, coaches, mentors, families and supporters give their time, patience and generosity to make the club what it is. Their contribution goes far beyond the cricket field—from transport and cooking to fundraising, mentoring and simply being there to support our members.

## Partnerships and Community Engagement

Our continued collaboration with local clubs, associations and community organisations remains a key strength of BlowFly Cricket. We thank our partners including Hornsby Shire Council, NDCC, WPHCCC, HKHDCCA (Coaches' Association), St Ives Wahroonga CC, HKHDCA and Cricket NSW for their ongoing support and shared commitment to inclusive cricket.

We also acknowledge the incredible support of our sponsors and partners, including: Caring Approach, ACE Body Corporate (Ryde), Blitzit Plan Manager, Bite Me Bakehouse, Hornsby RSL (ClubGRANTS), Community Bank – Lindfield (Bendigo Bank), West Pennant Hills Sports Club and Peter Stokes (NDCC).

## Governance and Sustainability

Behind the scenes, important work has also continued to ensure BlowFly Cricket remains strong and sustainable for the future. Strengthening committee roles, sharing responsibilities and planning are all part of building a club that can continue to support members and families for many years to come. While this work often happens quietly, it is vital to preserving the spirit and stability of the club, and I thank everyone who has contributed to it.

## Thanks and Recognition

My heartfelt thanks go to every player, family member, volunteer, coach, committee member and supporter who has been part of BlowFly Cricket this year. Your kindness, encouragement and belief in what this club stands for have made a real difference. Every achievement we celebrate—whether it is a moment on the field, a new skill learned, a step into coaching, or a boost in confidence—has been made possible by the care and commitment of this wonderful community.

# Northern District Cricket Club Report

As always, it is a delight to contribute to the 2025/26 Annual Report for HKHDCA, this one being a special one, the Association's 100th year.

2025 was also a year of reflection and celebration for our proud old Club, which became one of Sydney's Premier (Grade) Clubs on 7<sup>th</sup> July 1925. Turning 100 is no small feat and what a glorious century it has been. A number of major events were held to mark the milestone, including a magnificent Centenary Dinner held at Hornsby RSL on Saturday 6<sup>th</sup> September. It was tremendous to celebrate with 430 friends of the Club, including many from HKHDCA.

We played a Centenary Match against Randwick-Petersham on Saturday 4<sup>th</sup> October 2025 at Mark Taylor Oval. It was a Men's Limited Overs competition match, played exactly 100 years *and one day* after our first match against Marrickville CC in 1925. Our Centenary Flag was unfurled before play by the Mayor Warren Waddell, and the Mayor was also at the toss when a rare 1925-florin coin was tossed by Captain David Lowery.

On the field the Club continues to do well, producing high quality players for representative level and having success in the SCA competitions. Local cricketers were the secret success again with yet another Green Shield premiership. This means NDs has won four Green Shields in a period of eight years. Great credit is due to former local juniors, now coaching the team, Josh Miller and Tom Felton. The team also went on to again become State champions (for the fourth time in eight years).

Other highlights included winning the Women's Spirit of Cricket Award, and Men's Third Grade Premiership and a second placing in the Men's Club Championship. At the same time, it was wonderful to see the careers of Lachy Shaw, Charlie Anderson and Will Byrom, amongst others, kick on at representative levels.

Congratulations to all at HKHDCA - administrators and players - on the Centenary and another fine season in 2025/26. NDs are fortunate to have such a well-managed association in its backyard.

Let's keep a good thing going! All the best for next season

Jeremy Hook  
President  
Northern District CC

## GIRL'S SECRETARY REPORT

This year, girls' cricket continued to grow across Hornsby, Ku-ring-gai and the Hills District. HK&HDCA made significant progress in introducing more girls to cricket and giving them meaningful opportunities to participate in competitive, all-girls environments.

The ongoing success of our **Stage 1 Competition**, with nine teams this season, is a testament to the growing interest among local girls in playing cricket. The competition is thriving and forming a clear development pathway for young female cricketers, with players and families enjoying a fantastic cricketing experience and noticeable growth in the girls' skills and confidence.

The inaugural season of our **Stage 2 Competition** featured four teams: Berowra, Glenorie, North Parramatta and WPHCCC. The girls enjoyed playing in an all-girls environment on Saturday mornings, stretched themselves to produce some outstanding cricket, and showed refreshing camaraderie both within and between teams. Glenorie took out the Premiership with a strong competitive win at Les Shore Oval. Congratulations to all the teams, coaches and families who participated.

The success of the Stage 2 season was also reflected in individual recognition, with Glenorie coach Madeleine Mitchell winning the HK&HDCA Coaches Association Bruce Wood Cup for Coach of the Year. Congratulations, Madeleine.

# GIRL'S SECRETARY REPORT

Together, these achievements show a season defined by growth, stronger pathways, and a genuine sense of community across girls' cricket in the Association.

In the 2025/26 season, the Association remained committed to expanding the reach of girls' cricket in our region.

The **All-Girls Master Blasters Programs** once again proved successful, with many girls now progressing confidently from those programs into **Stage 1 (Under 11)** competition cricket.

We are especially proud of the collaboration among clubs to ensure that all interested girls had the opportunity to play. The following clubs entered teams into the Stage 1 Competition:

- Hornsby District
- Castle Hill
- West Pennant Hills Cherrybrook (3 teams)
- Mt Colah
- Berowra
- Normanhurst-Kissing Point
- Beecroft-Pennant Hills

It was fantastic to see **joint venture teams** formed where individual clubs could not field full sides, reflecting the shared commitment across our community to giving girls the opportunity to play cricket.

The girls participating in these competitions are not just the future of cricket; they are already shaping the game in our community.

Not so long ago, girls often had to fight just to be included in the game. Now, we see girls playing with skill, confidence, competitiveness and passion every week.

What impressed me most this season was not just the runs scored or wickets taken. It was the courage to try, the friendships formed, the support the girls showed each other, and the pride with which they represented their clubs and families.

This season will be my last as HK&HDCA Girls Competition Secretary.

It has been an absolute privilege to be part of this journey. Watching girls' cricket grow across our Association is something I will always be proud of.

I am incredibly grateful for the support, friendships and trust I have received from the clubs, the Executive, the families, and especially the girls themselves.

I may be stepping away from the role, but I will always be one of the biggest supporters of girls' cricket.

Girls' cricket is no longer simply the future; it is already a vital and essential part of cricket in our community.

Every girl who walks onto the cricket field feeling welcomed, respected and encouraged is another player who may one day become a coach, captain, leader, volunteer or role model. That is how we help the next generation believe they belong, and that is how real change happens.

# JUNIOR'S SECRETARY REPORT

Firstly, just wanted to say thank you to all clubs and volunteers for the time and help they have put into Season 25/26.

To the Junior Cricket Committee (JCC), thank you for taking the time to review and help on matters to make our competition run smoothly through the year, we couldn't have done it without you.

We saw teams and numbers increase in season 25/26 and we are aiming for higher numbers again for next season.

This season the finals format trialled quarter finals for the top 8 teams for the first time in the age groups with larger team numbers. In the smaller age groups, first played second in week one of the finals, with the winner going straight through to the grand final. The loser given a second chance, playing the winner of the third v fourth elimination final. This change was accepted quite well with more opportunities and chances for teams to make the finals.

The junior club championship was won by Hornsby District, from Castle Hills RSL (2nd) and Beecroft/Pennant Hills (3rd). Club Championship table below, noting Kenthurst Hills Grammar, Mount Colah and Thornleigh do not have enough teams to be eligible.

| Club                    | Point |
|-------------------------|-------|
| Hornsby District        | 71.63 |
| Castle Hill RSL         | 62.88 |
| Beecroft/Pennant Hills  | 62.00 |
| Normanhurst             | 61.75 |

## **The Wrap**

Season 2025/26 was one of change with the introduction of a one-day final between the 2 top placed teams in one day games. This saw Berowra, 1<sup>st</sup> place, defeat St Ives, 2<sup>nd</sup> place, in the final which was played at Berowra Oval after the conclusion of the scheduled one-day games. The D grade competition was also run as an all one-day competition with a view to gauging interest in the offering of similar competition structures across grades and if it provided an avenue for greater participation for players struggling to commit to a full season. From all accounts both changes were well received and will assist in offering opportunities to grow the game within the Association's boundary.

The HK&HDCUA once again did an exemplary job in providing quality umpires for all the various matches throughout the season in a professional and courteous manner and were always happy to fulfil appointments for umpires in lower grades when requested.

Finally, a huge congratulations and thanks to all the volunteers fulfilling various roles within each of our individual Clubs which enables players to participate in the game of cricket whilst building friendships and camaraderie. Your efforts might not receive the attention they deserve however without the commitment of our volunteers our competitions simply wouldn't be able to occur and continue to grow.

Scott Griffin top scoring with 46. Johnny Fourie and Hugo Boulden each taking 3 wickets. St Ives Wahroonga lost wickets at regular intervals and were bowled out for 133 in the 38th over. # A GRADE FINAL

## Berowra (1) v Asquith Rugby League (2) at Berowra Oval

UMPIRES: Matt Heddo and Ian Lewis

With ideal conditions and an excellent wicket prepared at Berowra Oval, Asquith Rugby League won the toss and elected to bowl first in the 2025/26 HKHDCA A Grade Grand Final.

ARL made the early breakthrough in the third over, dismissing Berowra's opener to have them **1 for 16**, and from there applied sustained pressure with disciplined bowling and sharp fielding. Berowra responded through a composed innings from **Scott Griffin**, who anchored the early stages as the home side worked their way to **1 for 78 at lunch**.

The second session remained evenly contested. Griffin was eventually dismissed for a well-made **47**, while **Albert Watts (37)** provided vital resistance through the middle order. ARL continued to bowl tightly and were rewarded with regular wickets either side of the drinks break, reducing Berowra to **3 for 118**, before further strikes saw them **6 for 155 at tea**.

After tea, Berowra continued to battle, with contributions from **Mitch Fullagar (20)** and **Bradley Fiedler (17)** adding important runs, but the innings was eventually closed out with Berowra bowled out for **186 in 74.2 overs**. The ARL bowling effort was shared evenly, led by **Kingsley Drew (2/34)**, **Adam Ellis (2/31)** and **Tom Hewett (2/37)**, while **Luke Jobson** was outstanding in maintaining pressure with the ball.

ARL had **52 minutes and a minimum of 13 overs** to negotiate late on day one, but Berowra struck back strongly, removing three wickets to leave ARL **3 for 32 at stumps**.

Day two began poorly for ARL with another early wicket, before **Luke Jobson** once again showed his class with a positive, counter-attacking innings. Jobson struck a fluent **28**, continuing to fight hard for his side before his dismissal triggered another breakthrough just prior to the drinks break, with ARL reaching **6 for 68**.

After drinks, Berowra completed the job in emphatic fashion, taking the remaining **four wickets for just two runs**, with ARL dismissed for **70 in 32 overs** — a collapse that saw **five wickets fall for two runs overall**.

The Berowra bowling attack was outstanding, led by **Scott Griffin**, who capped off a superb all-round performance with **5 for 19 from 14 overs**, well supported by **Mitch Fullagar (3 for 5)** and **Ben Hunter (2 wickets)**.

The victory completed a dominant season for Berowra, who finished the campaign **undefeated**, recording **17 consecutive wins** to be crowned **2025/26 HKHDCA A Grade Minor Premiers and Premiers**.

Despite falling one game short of the title, significant credit must go to Asquith Rugby League. This season marked the **first year of this ARL A Grade team competing in the HKHDCA**, having transitioned from the North Sydney Competition to represent ARL. Their impact on the competition was immediate, adding depth, quality and competitiveness throughout the season and earning a deserved place in the Grand Final.

Both teams are to be congratulated on the standard of cricket and the excellent spirit in which the match was played across the two days.

### Records

Records are not easily discernible in PlayHQ with no reporting on partnerships, hatricks or carried bats.

The B grade opening partnership record was broken. The new record set at 331\* Sujith Dissanayake 173 and Thomas Lillis 150 not out in 60 overs. The game ended in a draw with Asquith 9/113 from 53 overs. Tom would carried his bat two rounds later against Thornleigh, scoring 84 not out in 81 overs. Another innings in vain as Thornleigh easily chased down the total. The top run scorer in that run chase carried his bat in Thornleigh's round 5 game, Ben Elliott scoring 61 not out in 39 overs. Scott Reid also achieved the feat in Beecroft's round 6 C2 game against Kissing point.

Jagjit Grewal Castle Hill RSL C4 recorded a hatrick in Rd 7 v Mount Colah taking 4 for 29. Oliver Silvester also took a hatrick for the club in round 2 of the Community Cup, taking 3 for 15 against North Richmond.

In the association's first 99 years, it is believed only five players had achieved the feat of 10,000 runs in the senior competition—Les Stranger, Alf James OAM, Dave Lea, Grant Reid and Geoff Findlay. Two more names were added to the list, with Scott Reid (Beecroft) and Michael Hungerford (Castle Hill RSL) reaching the milestone. Michael also reached 100 stumpings during the season.

## Under 12 Division 1—Cawsey Shield

A strong season from a talented team that culminated in a grand final appearance against Blacktown.

Whilst the team came up just short in the grand final, they can be very proud of their achievements having come through a tough pool and winning 5 games in a row to qualify for the final week.

Every player in the team contributed at different points in the season in very much a collective effort. We had 4 batters – **Gurjot Pawar, Archis Deshpande, Samkit Shah and Jagjot Singh Mangat** - in the top 15 run scorers in the competition and had 5 bowlers – **Abhinav Baidya, Gurjot Pawar, Aditya Akella, Oliver Schmidhofer and Samkit Shah** – in the top 15 bowlers in the competition.

I'm proud that the team were able to dust off their grand final loss to take out the title at the u/12s Lismore competition in January, the first Hornsby side in a long period to do so. This will no doubt give the boys further confidence to springboard into next season.

This is my 3<sup>rd</sup> season with the side and I am proud to see the growth in their skills and team camaraderie over that time and with hard work there is no doubt more success in store for this team.

## Under 12 Division 2—Foster Shield

It was great to see how the boys came together as a team, welcoming some new players this year and enjoyed playing their cricket together each week. It's great to see these young cricketers having so much fun out in the middle celebrating one another's success and the team success. This really was a team effort this year.

This season was very positive for the team. We had 5 straight wins, 1 washout no result and lost only 1 match being the quarter final. It was a very strong showing by all the boys. The team consistently performed well throughout the season with batting, bowling and fielding. All players represented HKHDCA in the right spirit every week. Some season highlights include top scores of 100 and 54 by Aiden O'Connor and 72 n.o by James Folkard. Our bowling consistently put opposition teams under pressure with Panav Jain, Thomas Weeden and Dhruv Phadke our standouts. Fielding was also a highlight as our team caught consistently and executed sharp run outs.

All players showed improvement throughout the season and as their skills developed, their confidence grew. Each week the boys trained with enthusiasm, competing with each other in a positive way which then helped them to compete against other teams in our matches.

Thanks to our team manager Pavan Kumar who has contributed enormously to the successful running of the team. His efforts are greatly appreciated. Thanks also to all our parent helpers with scoring, ground set up, warm ups, etc. It was a successful and enjoyable season and well done to all the boys.

## Under 14 Division 1—Moore Shield

The Hornsby 2025/26 Moore Shield team enjoyed a strong season, finishing with six wins from seven matches, including two bonus-point victories, to top our pool. We also celebrated two first-ever centuries from Jaisal and Ranvir. Unfortunately, our run ended at home in the Quarter Final against a strong North Shore side.

Round 1 saw us face SEJCA. Batting first, we posted 6/246, highlighted by a captain's knock from opener Jaisal, who scored 111. SEJCA's batting never settled thanks to disciplined bowling from Joel, Naksh and Ranvir, who's combined 30 overs included six wickets and only conceded 37 runs. Batting first in Round 2 against Sutherland, Ranvir set the tone with 90 off 103, supported by rapid contributions from Ayron and Vyom to reach 8/221. Our bowlers then squeezed Sutherland's top order, leaving them too much to do as they finished 9/194. Round 3 against Inner West brought another strong start, with Ranvir scoring an even 100. However, the rest of the lineup struggled to build momentum, and we reached 7/201. A loose opening spell with the ball allowed Inner West to control the chase, passing our total with four overs to spare.

After this loss, we knew we needed to lift for the back half of the season. Against Bankstown on a slow deck, we were sent in and slumped to 6/44. Gritty 20s from Harbaz, Ayron and Vivan pushed us to 137. Virat set the tone of the defence with a run-out for a diamond duck in the first over, and from there we rolled Bankstown for 90. Round 5 against Blacktown began well, with Jaisal, Harbaz and Vyom all scoring 40+ to take us to 8/203. We thought it might not be enough runs, but what followed was extraordinary. Joel and Harbaz bowled an incredible opening 10 overs, leaving Blacktown 1/11. Harbaz's spell of 1/1 off five overs included no runs off the bat—the single run conceded was a wide. Naksh, Matthew and Virat then chipped in with multiple wickets each as we bowled Blacktown out for 96 and secured a bonus point. Round 6 against Nepean was one of the season's most dramatic matches. Moved to a synthetic wicket, our bowlers struggled as Nepean reached 4/240. Our chase began well with starts from Jaisal, Ranvir and Joel, but we slipped behind the required rate. Harbaz reignited the innings with 41 off 34, before Virat took control. He expertly guided the lower order and hit the winning runs in the final over with the team nine down. Our final round was against last season's champions, NDJCA. After losing the toss and bowling first on a synthetic wicket, we produced a spell that had to be seen to be believed. After 10 overs, Joel and Harbaz had NDJCA reeling at 4/10. Naksh then took over, finishing with 4/15 from his 10 overs as we bowled them out for 69. The chase wasn't straightforward, but with several batters getting starts, we passed the total six wickets down.

Heading into the Quarter Final against North Shore after topping our pool, confidence was high. We won the toss and batted, but no one was able to take control of the innings, and we were dismissed for 124. North Shore chased the target in 41 overs without much trouble.

Despite the disappointing finish, the coaches were extremely proud of the team. The boys overcame the adversity of losing two players for the entire season due to injury just weeks before the first match, yet still finished atop their pool. They continue to improve each year and are a pleasure to coach. Thank you to all parents for their support, especially Shantell for her outstanding management season after season.

## Under 14 Girls

As the 2025 season wraps up, I wanted to take a moment to reflect on what's been a genuinely enjoyable and rewarding journey with the U14 Girls Representative Team.

This was a new group of players, many meeting for the first time, coming together as a team. What stood out to me was how quickly they connected, found their rhythm, and supported one another. Watching them grow into a team that went on to win the **entire competition** was something really special. It wasn't just about the results—it was about how they approached each week with effort, care, and a willingness to improve.

They took pride in their cricket, backed each other up, and played with intent and good spirit. Every training session and game was an opportunity to learn & improve—and they took it.

A huge part of this team's success belongs to our coach, **Ben Davis**. Ben brought a wealth of experience to the group, having had a long and accomplished cricket career. But what stood out most was how generous he was with his knowledge and how steady and thoughtful his approach was with the girls.

Ben's calm presence gave the players confidence, and the way he explained the game—clearly, patiently, and with real care—helped every player develop across the season. The girls respected him from the start and really listened, and it showed in the way they played. We were very lucky to have him involved, and I know the players took a lot from the experience.

Every player had a part to play. Some were consistent with the bat or ball, others stood out in the field or kept the team energy up. What mattered most was how they came together, stayed connected, and contributed in whatever way was needed. Belle had a very strong season with both bat and ball (leading run maker for the comp) and was central to many of our wins. Prisha and Chloe were also key contributors, while Natalie, Nidhi, Luella and others stepped up at important times. Everyone had moments that mattered, and it was those shared contributions that made the difference.

It's been a privilege to be part of this team's journey. Watching the players grow, support each other, and enjoy their cricket was the most rewarding part. They played with heart, learned as they went, and deserved the success they earned.

To the families—thank you. Your support throughout the season made a big difference. From getting players to training and games, scoring & umpiring, to cheering from the sidelines, we really appreciated it. To the players—congratulations. You worked hard, listened, backed each other, and had a great season. You should all be proud of what you've achieved. I look forward to seeing where your cricket takes you next.

## Under 15 Division 1—Weblin shield

The HKHDCA Under 15 Weblin Shield team enjoyed a strong and encouraging season, finishing fourth in the group stage and progressing to the quarter-finals. The coaching and management group: Matt Schenke, Don Schreuder, and Faisal Mukhtar, played a pivotal role in developing the team's skills, confidence, and overall cohesion throughout the campaign.

The season began in impressive fashion with a commanding victory over South East, highlighted by a match-winning innings of 52 from Alish Hirani. This was followed by a challenging encounter against Sutherland Shire, where the team suffered a narrow loss despite another outstanding performance from Alish, who scored 70. The side responded positively, bouncing back with a dominant win over Inner West Harbour.

Momentum continued with a comprehensive victory against Bankstown, where Raul and Alish led the bowling attack, claiming three wickets each. A setback followed against Blacktown, despite solid contributions from opener Sean and all-rounder Luke. The team showed resilience once again, rebounding with a convincing win over Nepean. Oscar was outstanding with the ball, claiming a four-wicket haul, while a match-winning unbeaten partnership between Sean (56\*) and Alish (88\*) sealed the result.

In the final round of the group stage, the team went down to Northern Districts, although Oscar continued his excellent form with his second consecutive four-wicket haul. Finishing fourth, HKHDCA qualified for the quarter-finals, where they faced top-of-the-table Parramatta. A disciplined bowling performance restricted the opposition to 166 runs, but the team fell 20 runs short in the chase, despite a determined 56 from Alish.

On an individual level, Alish Hirani led the batting with 304 runs at an average of 43.4, while Oscar was the standout bowler, taking 12 wickets at an average of 17.6.

Overall, the season represented a significant improvement on previous years, highlighting both strong team performances and individual development. This progress was further underlined by the selection of six squad members in the AW Green-shield competition, providing a solid platform for continued success in future seasons.

# Ross Turner Cup

**RTC East 9/87** [30 overs] (L. Escott 20, J. Pagano 16, B. Strefner 18no, A. Hari 3/10, N. Ravilla 2/11, J. Stransky 2/18, R. Rapa 4 W-K catches) tied with **RTC West 87** [28.3 overs] (R. Rapa 30, N. Ravilla 13, B. Strefner 2/8, V. Balian 2/11, V. Rasotra 2/14). Super Over—RTC East 0/11 def. RTC West 1/10. HK&HDCA's showcase junior representative match known as Ross Turner Cup (RTC) has been held since 1998-99 and features the outstanding players in the district from the U/15 age group and below. This annual contest was originated by the late **Tom Richmond** OAM, Life Member of Northern District CC, HK&HDCA and the Coaches' Association, who passed the responsibility to **Bruce Wood** OAM, President, Coaches' Association, in 2010-11. We are proud that **50** players have graduated from the RTC match to play First Grade cricket in Sydney.

The Cup is named in honour of **Ross Turner**, one of HK&HDCA's finest products, who became Northern District's most successful captain, winning two First Grade premierships in 1985-86 and 1986-87. Ross became a Life Member of NDCC on 13 July 1994 and the Coaches' Association on 7 June 2021. Ross worked for Cricket NSW and Cricket Australia, pioneering development activities, before being appointed in 1998 as the Global Development Manager for the International Cricket Council (ICC), based at Lords in London, where he facilitated the development of cricket in emerging cricket nations such as Bangladesh, Nepal, China, Malaysia, Kenya, Zimbabwe, Uganda, Afghanistan, Canada, Denmark, Netherlands and Ireland.

The 28<sup>th</sup> RTC match took place on Sunday, 15 February 2026 at Turramurra Oval. The Coaches' Association appointed its two leading coaches, **Connor Hindmarch** (West) and **Tyler Lang** (East), who did an excellent job, guiding and inspiring their teams. The RTC umpires were **Bruce Wood** and **Scott Reid**. This was Bruce's 20<sup>th</sup> consecutive year as one of the RTC umpires. Bruce announced that he will be standing down as the RTC / GHC Convenor after 16 years and we thank him for his organisation of these fixtures.

Due to a delayed start following overnight rain, the match was initially reduced to maximum 45 overs per team. After two further lengthy rain breaks, the match became a 30 over contest. RTC East captain, Sean Mukhtar, won the toss and chose to bowl first on a difficult turf pitch that saw the ball seaming around with some variable bounce. The West team was struggling on 3/22 before Rory Rapa (30) played a determined captain's knock for his team. The West team was all out for 87 runs off 28.3 overs. The best bowlers for the East team were Ben Strefner (2/8), Virat Balian (2/11) and Vivan Rasotra (2/14). Opening bowler, Joel Pagano (0/9 off 5 overs) bowled with genuine pace and was almost unplayable, supported by Alistair Fernandes (1/8 off 4 overs).

The RTC East team lost wickets at regular intervals, with three useful contributions from Liam Escott (20), Joel Pagano (16) and Ben Strefner (18no). The best bowlers for the West team were Arjun Hari (3/10 off 6 overs), Naksh Ravilla (2/11) and Josef Stransky (2/18). Wicket-keeper, Rory Rapa, took 4 good catches. Incredibly, the East team completed its 30 overs on 9/87, resulting in the first Tie in the 28 year history of the RTC fixtures. The East team won an exciting Super Over by one run to claim the victory. The match was played in very good spirits, in keeping with the RTC tradition. The umpires presented the historic RTC trophy to the East team, led by Sean Mukhtar (Captain) and Tyler Lang (Coach). The players of the match medals were won by Rory Rapa (West) and Joel Pagano (East).

HK&HDCA's showcase junior representative match known as the Glenn Hourigan Cup (GHC) has been held since 2003-04 and features the outstanding players in our district from the U/13 age group and below. This special annual contest was originated by the late **Tom Richmond** OAM, who passed the responsibility to **Bruce Wood** OAM (President, Coaches' Association), in 2010-11. Bruce performed the RTC / GHC Convenor role for 16 years, retiring at the end of 2025-26.

The Cup is named in honour of **Glenn Hourigan**, who was the HK&HDCA Representative Secretary for 13 seasons from 1988-89 to 2000-01. He also held the role of delegate to IDCA from 1988 to 2001. For his services to cricket, Glenn was awarded HK&HDCA Life Membership (# 38) in 1997; and was a recipient of the Australian Sports Medal in 2000. Sadly, Glenn passed away on 3 May 2023 (aged 79). We were delighted that Margaret Hourigan (wife of Glenn) was able to attend the official introductions and the start of the GHC match.

This year's 23<sup>rd</sup> GHC match was played on Sunday, 15 February 2026 at Karuah Park, Turramurra. The Coaches' Association appointed **Zach Rapa** (East) and **Ben Burrows** (West) to coach the GHC teams in this 40 over match, and they did a fantastic job, guiding their teams. **Alf James** OAM and **Steve Williams** were again appointed to umpire this GHC match, which was Alf's 15<sup>th</sup> consecutive year as one of the GHC umpires.

**RTC and GHC Captains, Coaches, Umpires and special guests**

Back row: **Bruce Wood** OAM; **Alf James** OAM; **Margaret Hourigan**; **Ross Turner**; **Ben Burrows** & **Zach Rapa** (GHC coaches); **Connor Hindmarch** & **Tyler Lang** (RTC coaches); **Scott Reid**; **Steve Williams**
