# PRESIDENT'S REPORT

## PRESIDENT'S MESSAGE

Welcome to the 98th Annual Report of the Hornsby Ku-ring-gai & Hills District Cricket Association (HK&HDCA), as we approach the momentous occasion of our centenary celebration!

### **The 2023/24 Season**

I extend sincere thanks on behalf of the Association to all volunteers who dedicated their time and effort throughout the 2023/24 season. Your invaluable contributions enabled cricketers to enjoy their beloved sport, positively impacting their physical and mental wellbeing.

### **Strategic Initiatives**

As we approach our centenary milestone, our strategic initiatives are the important next steps for our Association and critical to our enduring strength. Our 3 top initiatives remain as outlined below:

1. **Club Strength:** Enhancing pathways for junior and senior players to foster a robust A grade competition.
2. **Girls' Cricket:** Establishing and expanding our girls' competition across multiple stages by 2028.
3. **Volunteer Development:** Streamlining processes to optimize the invaluable time of our dedicated volunteers.

### **Recognition and Achievements**

Our Association and clubs are truly gifted for the quality of volunteers we have with both continuing to be recognised with prestigious awards from Cricket NSW, Cricket Australia, and NSW Community Sports, underscoring their outstanding contributions and achievements statewide.

### **Junior Girls and Mixed Competition**

Our Master Blaster and Stage 1 junior competition had a fantastic year of growth. The Girls competition has a long term plan to establish our own Stage 2 in season 2024/25, then Stage 3 and Senior Women's cricket. Girl's and Women's cricket is fundamental to our plans for inclusivity, ensuring everyone can play the great game of cricket, no matter their gender.

### **Representative and Senior Competitions**

Our players continue to represent our Association proudly demonstrating spirit of cricket and thanks all our coaches, managers, scorers and other volunteers for ensuring a positive experience for our players.

### **Acknowledgements**

Our affiliated bodies, the HKHDCCA and HKHDCUA are critically important for our competitions. The Umpires Association for our junior and senior competitions, the Coaches Association for their important work to facilitate junior player development for girls and boys. In addition, our long term relationship with Northern District Cricket Club continues to provide an opportunity for our players to continue to grow their cricket career.

## **LOCAL GOVERNMENT REPORTS**

We have three (3) local councils (Hills, Hornsby and Ku-Ring-Gai) whom we partner with to ensure the success of our competitions and we thank them for the provision and maintenance of grounds each week for our cricketers to play. I would also like to thank Scott Reid for the strong relationships he has developed with relevant council contacts. Given the continued growth in junior and senior competitions, a growing issue for our Association is ground capacity, particularly with several grounds under maintenance.

Finally, we are extremely fortunate to have quality turf wickets which rely 100% on the competence and dedication of council ground staff who prepare our turf wickets and fields.

### **SCHOOL FACILITIES:**

In addition to the grounds provided by local councils, we also gratefully appreciate those schools who make their cricket facilities available to our Association, this includes many public schools and Northholm Grammar.

Finally, we also thank Barker College for our representative teams who again were able to utilise and play on their amazing facilities.

# OUR SPONSORS

## KOOKABURRA SPORT

Kookaburra has been a major sponsor of our association since 2003-04. The main financial benefit to clubs is a ball rebate for competition balls in our senior and junior competitions. The new sponsorship agreement has seen an increase in the rebate per ball, covers all types of approved balls for each of our competitions, and a minimum sponsorship amount per season. Winners of the Kookaburra Rising star awards also receive prizes in Kookaburra equipment. For the Glenn Hourigan and Ross Turner Cup representative fixtures, Kookaburra provide match balls, stumps as well as player of the match awards for each team.

## HORNSBY RSL

Hornsby RSL are a minor sponsor of our association, providing discounted room hire for ordinary general meetings, annual general meetings, President forums and presentation nights.

The club provides an important venue for community and entertainment with their mission – ‘to achieve excellence in serving our community by providing exceptional customer service and first class facilities’. Their mission is underpinned by their values of respect, innovation, care and engagement.

We look forward to a long and close relationship between our Association and the Hornsby RSL Club.

# GROUNDS REPORT

The association welcomed back the use of the Kenthurst turf wicket oval after the oval underwent a substantial renovation including the expansion of the oval to the east, fencing, drainage and irrigation works. A new storage building also provides a secure space for the storage of covers. A full renovation of the square caused a minor delay in the availability of the wicket at the start of the season.

Samuel King oval at North Turrumurra also returned to play after a complete renovation of the oval and a new facility building. The pitch has been replaced with a wider, longer pitch that is more level with the outfield.

The Old Dairy oval at Brooklyn was formally renamed after the late Tom Richmond (OAM) on Sunday 27th August 2023. Tom, a life member of the association, and also life member of the Brooklyn Community Association, was instrumental in converting the land into a sports oval. Works will start shortly on a toilet facility at the ground.

Ground capacity remains an issue with the growth across our three sections. Byes were added to a number of senior grades to enable all teams to play games on Saturdays.

## **HORNSBY SHIRE COUNCIL (HSC):**

The association hires 20 synthetic wickets used on a full day basis and 6 on a half day basis. The turf wickets at Berowra and Parklands were again of a high standard. Mark Taylor Oval, Waitara being closed also meant we didn't receive half use of Storey for a 2nd season.

## **KU-RING-GAI MUNICIPAL COUNCIL (KMC):**

The association schedules games on 16 grounds in Ku-ring-gai council, with 4 used for junior games only and 4 for senior games only, including turf wickets at Turrumurra Memorial and The Glade.

## **THE HILLS SHIRE COUNCIL:**

A total of 13 synthetic wickets are used within The Hills Shire Council, with 3 only large enough for junior cricket. Kenthurst turf wicket was prepared once again by contractor Ground Solutions Australia with new curator Kai doing a sterling job.

## **SCHOOL GROUNDS:**

Our junior competition play games at 5 primary schools in the district, and Northholm Grammar is utilised by both junior and seniors. Once again home games for our under 14 and under 15 NSW Youth Championship games were played on Barker College. We thank the school for the use of their facilities.

# UMPIRES ASSOCIATION (HKHDCUA)

A difficult year with a shortage of umpires especially early in the season where we only had one umpire in the A grade games instead of the usual two. In total, there were 245 appointments which included the regular matches in A grade and A2 grade with a few B grade matches. These also included IDCA home matches and junior semi finals and finals. We were able to cover most of the senior semi finals with at least one umpire and had two umpires for all but one of the grand finals across the 10 grades. This was achieved with the assistance of a number of current players who held at least a captains ticket. My thanks go to these people. Simon Moore had the most appointments with 27 followed by Geoff Hasler, Ian Lewis and Jason Fletcher all with 22. Peter Lee had 19, Steve Williams 18, Steve Redman 16, David Bostridge 15 and James Fernandez 14.

David Bostridge was a new umpire who performed very well in his first season after obtaining his NSWCUA badge. David showed great commitment in attending the matches as he lives a distance from our games and he is required to catch a bus and train each way to get to the matches.

I would like to thank our executive committee in Ian Lewis, Geoff Hasler, Tim Davidson, Jason Fletcher and Steve Williams for their work throughout the season. My thanks especially goes to Jason who has officially retired. Jason's effort in obtaining Ekim Brewing assisted us in the purchase of new shirts and to Steve Williams who I could not have operated without his work with OfficialHQ.

I will be stepping down as umpire's secretary however will assist where possible in the smooth hand over.

Simon Moore  
Umpires Secretary  
HKHDCUA

The cricket association would like to thank all umpires who assisted with coverage throughout the season, particularly across the finals. The importance of umpires can be seen with two protests in uncovered semi-finals. In addition to the grand finals appointments below, Matthew Heddo and Steve Quanborough assisted with semi-finals.

The association enters nine teams in the NSW Metropolitan Youth Championship competition. Five members were appointed to a total of forty matches across the mixed and girls divisions: Roger Friend, Len Gregory, Geoff Hasler, Scott Reid and Bruce Wood (OAM). Two members of the association were appointed to NSW Youth Championship Grand Finals, that continues an impressive record of local umpires being appointed to these finals.

The Coaches' Association had another big year in 2023-24, as briefly outlined below.

School holiday junior cricket clinics (in partnership with Northern District CC) – The Coaches' Association conducted seven junior cricket clinics during the school holidays in 2023-24 at Mark Taylor Oval, Waitara (including the superb Indoor Centre), and Greenway 2 Oval, Cherrybrook. A total of 564 children attended the clinics, which averaged an impressive 80 boys and girls per clinic. The clinics cater for all cricket standards from beginners to representative standard players. The Coach / Players ratio across all our school holiday clinics in 2023-24 was an impressive 1 / 6.6, which provides plenty of individual coaching for the children. HKHDCCA presented its prestigious Phillip Hughes Medal at each clinic to recognise outstanding sportsmanship, teamwork, enthusiasm, performance and spirit of cricket.

RTC and GHC – The Coaches' Association co-ordinated the 26<sup>th</sup> annual U/15 Ross Turner Cup and the 21<sup>st</sup> U/13 Glenn Hourigan Cup 'showcase' matches, which took place on Sunday, 11-Feb-24 at Turramurra. HKHDCCA appointed two impressive RTC coaches – Connor Hindmarch and Will McFadden, plus two enthusiastic GHC coaches – Alex Fitzgerald and Riley McDowell. The RTC umpires were Bruce Wood OAM and Scott Reid, while the GHC umpires were Alf James OAM and Steve Williams.

ClubGRANTS Sponsorship – HKHDCCA's strong partnership with Parramatta Leagues Club continued for an eighth year in 2023. The Coaches' Association thanks Parra Leagues for its generous support of our coaching and youth development programs. HKHDCCA holds committee meetings, dinners, social functions and tour reunions at Parramatta Leagues Club or the Vikings Sports Club at Dundas, which is owned by Parramatta LC.

Head Coach – HKHDCCA's inaugural Head Coach, Rod Hokin, has decided to stand down after 14 years of wonderful service (2010 – 2024). We thank Rod for his commitment, leadership, passion and expertise.

Coach development – HKHDCCA is pleased that five of our young coaches, Connor Hindmarch, Ryan Swain, Ben Randall, Elysa Oliveri & Aliya Colburt, completed the Cricket Australia Representative (formerly Level 2) accredited coaching course in 2023-24.

Accredited coaching courses – HKHDCCA liaised with Cricket NSW and organised a Community (Level 1) coaching course, which was facilitated by Josh Miller at Barker College on 27-Aug-23 with 20 participants. Josh also ran a modified Community coaching course for Blowfly Cricket at MTO, Waitara on 12-Jan-24.

Blowfly Cricket – Blowfly Cricket celebrated its 15<sup>th</sup> anniversary at a gala dinner at Hornsby RSL on 14-June-24, which Bruce Wood attended on behalf of the Coaches' Association. HKHDCCA held a free coaching session for Blowfly Cricket on 24-Jan-24 in the Indoor Centre at MTO, Waitara. Blowfly Cricket is a wonderful organisation led by Mark Rushton (Founder / Treasurer) and Jordan Jones (President), that provides children and adults with special needs the opportunity to play a hybrid form of cricket, participate in entry-level coaching, and form social connections in the community.

AIWCA – The Australia-India Women's Cricket Association was formed in 2023 to provide opportunities for Australian female cricketers, primarily of Indian descent, to play high level representative cricket in Australia and on overseas tours. Bruce Wood was invited to lead this new organisation as President in its first year of operations to help set it up for future success.

## COACHES ASSOCIATION (HKHDCCA) continued

Girls Tour to India – The Coaches' Association / AIWCA / Northern District CC held its first Girls overseas cricket tour when an U/17 team embarked on a memorable tour to India from 13 – 25 April 2024, playing 7 matches in Delhi and Jaipur, and visiting many cultural attractions, including the Taj Mahal in Agra.

# Blowfly Cricket

I am pleased to present the Secretary's Report for the 2023/24 Summer season for our wonderful BlowFly Cricket Club. It has been a remarkable year, with minimal interruptions to play and fantastic growth of both our participants and volunteers.

## Events from the season:

Bunnings BBQs were again a huge part of our Club's fundraising and as always, we are extremely grateful to Thornleigh Bunnings for their ongoing support of BlowFly Cricket. These BBQs cannot happen without the many volunteers who give up their time to make sure they are a success, so a huge thank you to you all!

BlowFly Cricket on Friday evenings at James Henty Oval, Dural, just finished its 6th season. Yet again we had a consistent group of between 10-14 players week in and week out and the skills of these players are developing well. There are some wonderful new players who have joined our Friday night playing group and we look forward to seeing them next season, as well as continuing our partnership with WPHCCC.

Once again, BlowFly Cricket and the Australian Sports Foundation (ASF) continued the working partnership where all donations made through the ASF for the 2023/24 season went towards developing our "Uncoachables Coaching the Uncoachables" Academy. The money raised through this program is extremely helpful in assisting with the costs of training and mentoring of our new upcoming Uncoachables Coaches.

I would like to thank all of our sponsors and supporters, because without you we would not be able to run this amazing Club and provide the equipment for our Centres, the clothing for our players and volunteers, the presents at Christmas or the complimentary BBQs we hold every week at each of the Centres. Thank you for your continued support!

Lastly, I would like to thank all our participants, supporters, family members and volunteers for their dedication and passion for cricket. Together, we have made the 2023/24 season a memorable year for our unique BlowFly Cricket Club, and I am confident that with our continued efforts, we will achieve even greater success in the future. To those participating in the indoor Winter Cricket again this year, we hope you have a wonderful season. I look forward to seeing you all again next Summer.

Secretary, BlowFly Cricket

# Northern District Cricket Club Report

As the local Premier Cricket club for the Hornsby Ku-ring-gai and Hills District area, it's always great to update HKHDCA players and supporters about the goings-on at Northern District CC. The bulk of our players make their way through the club and/or representative ranks of HK before playing at NDs, and the two organisations are real partners in developing cricketing talent in the area.

We began the season for the first time in three seasons with a settled training venue. With the Mark Taylor Oval Indoor Cricket Centre open from February 2023, we have a roof over our head! In recent months the Centre won the State and National Indoor Facility of the Year Awards, which is great recognition for this tremendous community asset. It was built to be used, so we encourage clubs who are interested in using the Centre, making contact, as several have already.

The season itself was a good one – we had 8 out of our 11 teams make semi-finals. That was a new record. However, we were only able to convert one of these into a premiership. It was a good one though! Men's First Grade Limited Overs Premiers – for the second consecutive season. It was a tremendous performance from a team full of local juniors – see if you can find the HK juniors in this photo below!

Next year is the Club's Centenary. NDs recognises its first season in Grade cricket as 1925/26 although it participated in the Shires competition in the season before. We hope our many friends in the local cricket community will be able to join with us for the Centenary events, focused on September 2025, ahead of the 100<sup>th</sup> anniversary of the club's first Grade match on 3<sup>rd</sup> October. In the 1920s, the local cricket community, with support from its Mayor and Council, helped create NDs, as they sought an opportunity for locals to play in the NSWCA competition against the best players in the state. Ultimately, it was hoped that some of these players might represent NSW and possibly Australia. Alas, NDCC was formed! Our challenge remains the same today - to prepare players for the top levels of the game. We believe NDs and HK operate in one of the strongest cricket nurseries in NSW.

Congratulations to all at HKHDCA - administrators and players - on a tremendous 2023/24 season. NDs are extremely glad to have such a strong and well-managed association in its backyard. We look forward to working together in 2024/25!

Jeremy Hook

Northern District CC

# GIRL'S SECRETARY REPORT

This year Girls Cricket has continued to gain traction in Hornsby Ku-ring-gai and the Hills District, and the HK&HDCA has taken notable steps to provide girls with opportunities to be introduced to cricket and play competition cricket in an all girls environment.

The success of the All Girls Master Blasters Programs and our Stage 1 competition this year are a testament to the fact that girls in our local area do want to play cricket.

Throughout this 2023/24 season, the HK&HDCA has continued to focus on developing the sport of cricket for girls in Hornsby Ku-ring-gai and the Hills District. The All Girls Master Blasters Programs have continued with the success we had in 2023 and now the girls who complete those programs have a pathway to progress to Stage 1 (under 11) competition cricket.

HK&HDCA has successfully run the Stage1 Competition for the 23/24 Season. The girls and their families had a wonderful time, their cricket skills improved and as an Association we were Cricket NSW State Winner of the Women and Girls Initiative for 2024. We also received a special commendation from Cricket Australia for that initiative. Congratulations to everyone who helped make it such a great success.

The following clubs entered teams in all girl stage 1, 2 and 3 competitions run by the North Shore junior cricket association: Castle Hill RSL (3), WPH Cherrybrook (5), and Kissing Point (2). The competition has teams entered from North Shore, Northern Districts and our association. Berowra also entered a team in the Central Coast's all girls Friday night competition.

The following clubs entered teams in HKHDCA Stage 1 All Girls competition: Hornsby District (2), Glenorie District, Castle Hill RSL (2), WPH Cherrybrook, Mt Colah, Berowra and Kissing Point. All coaches and managers of these teams went to great lengths to provide an outstanding cricket experience for the girls. Thanks for the volunteers, the girls and their families. We're off to a great start.

Highest aggregate runs and wickets from the HKHDCA junior clubs for each of the competitions are listed below.

Competition	Batting Aggregate	Runs	Bowling Aggregate	Wickets
HKHDCA Stage 1	Eden Cassie	163	Hazel Care-Wickham	22
NSJCA Stage 1 Jnr	Vera Li	115	Ria Galappatti	6
NSJCA Stage 1	Zoey Ubhi	149	Alisha Dighe	10
NSJCA Stage 2	Trisha Yadav	203	Rebecca Cass	18
NSJCA Stage 3	Olivia McKeon	188	Emma Rippon	8

Overall the rise of opportunities for Girls cricket in HKHDCA is a positive development for the sport in the area. With the support of the member clubs, more girls are being introduced to the sport of cricket and are being given the opportunity to develop their skills and passion for the game. This bodes well for the future of cricket and for the growth of the sport among female athletes.

# JUNIOR'S SECRETARY REPORT

Registrations once again were very strong and we had a huge 136 teams compete each Saturday morning (slightly down from last season) and when you add all the Junior Blaster and Master Blaster centres, cricket across the association is looking healthy.

And again we were blessed with great weather at the back end of the season. All quarter finals, semi finals and grand finals were played in full and all our players had the opportunity to experience finals cricket and know they deserved the trophies.

Once again, thanks must go to **Hornsby Shire, Ku-ring-gai Shire** and **Hills Shire** councils for their ongoing support of Junior cricket.

I would also like to thank the Principals of Cherrybrook Public, Hornsby Heights Public, Thornleigh West Public, Northholm Grammar, West Pennant Hills Public and Pennant Hills High School. These schools are doing us a huge favour by providing their grounds each week, so please continue to respect their wishes and requests and please keep the area clean.

I would also like to thank the umpires for their ongoing support of junior cricket in the association. Your support gives our finals an even greater sense of occasion and it was great that they were there to take the reins. A difficult job well done, but our juniors do appreciate having official umpires officiate in these important games.

I would like to thank all club coordinators, managers, coaches and parents for their part in making it all happen for their young cricketers.

And a huge thanks must go to the members of the Junior Cricket Committee (JCC). A lot of work goes on behind the scene to get a season up and running. So a big thanks for your guidance, patience, effort and objective wisdom. The JCC members in 2023/24 were Madeleine Mitchell, Peter Bradey, Naveen Savanathan, Fred O'Connor, Michael Hungerford, Paul McLaren, and Jai Prakash Soni.

Finally, to all the players, well played and I'll see you all next year.

Rob Hanich  
Junior Secretary

# SENIOR'S SECRETARY REPORT (continued)

Berowra secured the Club Championship for the 6<sup>th</sup> time in 7 years with Glenorie District in second and Normanhurst-Warrawee third. 13 of the 14 clubs were eligible for the Club Championship this season

## The Wrap

It made a nice to change to commence the 2023-24 season without any disruptions from weather, natural disasters, pandemics or new management systems. Clubs continued to come to grips with PlayHQ this season and whilst it was a major improvement on last season it is evident that further training needs to be undertaken to ensure all appropriate statistics are captured.

The HK&HDCUA, under the guidance of Simon Moore, again did an exemplary job in providing quality umpires for all the various matches throughout the season in a professional and courteous manner and were always happy to fulfil appointments for umpires in lower grades when requested.

Given that this will be my last season as Senior Competition Secretary I would like to sincerely thank Scott Reid, Gavin Wingfield, Alf James, Carl Spears, Steve Quanborough, Craig Woods and Roger Friend for their invaluable assistance and support across a number of years.

Finally, whilst at stages it has been a trying time to ensure that the appropriate service and support has been provided to Clubs it has at all times been a richly rewarding experience and I have thoroughly enjoyed working with various members across all the Clubs to ensure that the joy of playing cricket could be provided to as many participants as possible.

Geoff Silver

Senior Competition Secretary

## Records

Individual performances have returned to normal after the decline during COVID. Six bowlers took over 40 wickets through the grades and another nine took over 30 wickets. For the first time in nearly 50 years three bowlers in A Grade took over 30 wickets at an average cost in single figures. (In 1976/77 the combination from Mt Colah of Graeme Bender, John Franken and Wayne Hughes took 180 wickets in 15 matches off 522 overs at an average on only 7.50 per wicket!) Two bowlers took 8 wickets in an innings – Patrick Watkins (WPH-C C3) and Nassim Issa (Beecroft D), both at a cost of 23 runs.

As many as 81 batsmen scored 300 or more runs and seven of them passed 500 runs led by Laksh Rao (WPH-C D) with 760 runs and Benjamin Elliott (Thornleigh C) with 724. Reid Brown made 200 not out for St. Ives Wahroonga against Berowra at Bannockburn in C3 grade.

A strong assault was made on the C4 grade records. Brothers Colby and Alex Howard of Kenthurst – Upper Hills smashed the former aggregate record of 500 runs with totals of 676 and 672 runs, both with three centuries, but could not prevent Anana Tanna (Hornsby District) from setting a new high score of 161 and Brandon Pereira (Hornsby District) from breaking the record average with 103.50 from 414 runs (just above the minimum requirement of 400).

The fun did not stop there. Bowlers Andrew Williams (Kenthurst-Upper Hills) and Will Urasaki (Berowra) both easily broke the old aggregate and average in C4 with 49 @ 7.76 and 48 @ 9.88 respectively.

Francis Mason (Berowra A) and James Husband (St Ives – Wahroonga B2) held 13 catches in the field. We have always kept records for wicket-keepers but not for fielders. Perhaps, we should.

We have not been able to update batting partnership records for two seasons because of the deficiencies of PlayHQ. The current records are on the homepage and Clubs are invited to provide proof (not memory!) of any new records.

One major personal milestone was achieved by Beecroft stalwart Geoff Findlay. He is believed to be only the fifth player to achieve 10,000 runs in the senior cricket competition.

# A GRADE FINAL

## Berowra White (1) v Berowra Maroon (2) at Berowra Oval

**UMPIRES:** Simon Moore and Geoff Hasler

The A Grand Final was played between the minor premiers, Berowra White and the runners up, Berowra Maroon. The Maroon captain, Will Fiedler won the toss and sent the White side into bat.

They were immediately in trouble with wickets falling at regular intervals. 1 for 5, then 2 for 9 and 3 for 11 against sustained accurate and pace bowling from Brody Collier.

A partnership between Mason Francis and Mark Tobin put on 34 runs before Tobin was out for 13. Brody Collier then took two quick wickets both LBW to have the White side at 6 for 46.

Liahm Williams took the attack to the Maroon side and scored a fine 21 in a 24 run partnership with Mason Francis, before being unfortunately run out, slipping when attempting to turn.

Once the 7<sup>th</sup> wicket fell at 70, the last remaining wickets didn't last long and the White side was all out for 84 off 54.4 overs. Mason Francis opened the innings and carried his bat to remain 29 not out off 160 balls.

The star for the Maroon side was Brody Collier who was almost unplayable with his movement, line and length. He finished with the fine figures of 14.4 overs 6 maiden 6 wickets for 16 runs. He was well supported by Cooper Davenport 2 for 17 off 14 overs.

With the possibility of rain on the second day, the Maroons had a minimum 31 overs to try and achieve a result.

They started slowly with Scott Griffin and Richard Johnson putting on 21 before a number of wickets slowed their momentum and they were soon 4 for 46.

Mitch Fullagar then changed the game with 30 runs off just 12 deliveries hitting 3 sixes. With Fullagar out the score was 5 for 82.

At stumps on day 1, the Maroon side had a slender lead of 8 runs.

The day 2 start was delayed due to overnight rain leaving a very wet area on the edge of the square, however with the commitment of the groundsman and assistance of the players from both teams, play commenced some 10 minutes late with a small reduction in the overs for the day.

Not out overnight, Will Fiedler scored 24 backed up by Callum Birrell 17 and Brody Collier, showing he wasn't just a bowler scoring 17 not out and putting on 28 unbeaten runs for the last wicket with young gun Hamilton Seoung who came in at No.4 and was not out 41 off 226 deliveries. Hamilton's concentration was outstanding with barely a false shot played.

The White team captain, Adam West conceded at the second drinks break with the Maroon side 9 for 176. Joe Robinson bowled 22 overs for 4 for 37 supported by Nicholas McMillan 2 for 11 off 8 overs and Mark Tobin 2 for 23 off 11 overs.

A fine win to the Berowra Maroon side well led by Will Fiedler. Undoubtedly, the man of the match was Brody Collier. The Berowra White side is a young side and will be improved by the experience.

A great credit to the Berowra club in getting both sides in the grand final with both teams only losing once during the season prior to the final series.

# Ross Turner Cup

**RTC West 3/123** [30.1 overs] (J. Malhi 64, J. McDowell 26) def. **RTC East 122** [50 overs] (O. Makin 21, S. Abeyasinghe 21, F. Hitchcock 3/17, U. Vossler 2/9, E. Byrom 2/34) by 7 wickets

HK&HDCA's showcase junior representative match known as Ross Turner Cup (RTC) has been held since 1998-99 and features the outstanding players in the district from the U/15 age group and below. This special annual contest was originated by **Tom Richmond** OAM, Life Member of Northern District CC, HK&HDCA and the Coaches' Association, who passed the responsibility to **Bruce Wood**, President, Coaches' Association, in 2010-11. We are proud that **46** players have graduated from the RTC match to play First Grade cricket in Sydney – a great record.

The Cup is named in honour of **Ross Turner**, one of HK&HDCA's finest products, who became Northern District's most successful captain, winning two First Grade premierships in 1985-86 and 1986-87. Ross became a Life Member of NDCC on 13 July 1994 and the Coaches' Association on 7 June 2021. Ross worked for Cricket NSW and Cricket Australia, pioneering development activities, before being appointed in 1998 as the Global Development Manager for the International Cricket Council (ICC), based at Lords in London, where he facilitated the development of cricket in emerging cricket nations such as Bangladesh, Nepal, China, Malaysia, Kenya, Zimbabwe, Uganda, Afghanistan, Canada, Denmark, Netherlands and Ireland. He is now the Director of Cricket at Newington College at Stanmore, and the Convenor of GPS cricket in Sydney.

The 26<sup>th</sup> RTC match took place on Sunday, 11<sup>th</sup> February 2024 at Turramurra Oval. The Coaches' Association appointed two impressive young coaches, **Connor Hindmarch** (West) and **Will McFadden** (East), who did an excellent job guiding and inspiring their teams. The RTC umpires were **Bruce Wood** OAM and **Scott Reid**. This was Bruce's 18<sup>th</sup> consecutive year as one of the RTC umpires.

The RTC East captain, Hamilton Seoung, won the toss and chose to bat first, on a pitch with a bit of variable bounce. Hamilton was brilliantly caught & bowled by Jared Fernandes, then had to watch his East team slump to 6/37 and 7/57. The star bowlers for the RTC West team were pace bowler, Finlay Hitchcock (3/17 off 7 overs), and spinner, Ulrich Vossler (2/9 off 6 overs). Ed Byrom also chipped in with two wickets. The RTC East team staged a good recovery with a 40 run, 8<sup>th</sup> wicket partnership between Oliver Makin (21) and Suhas Abeyasinghe (21). Ansh Gupta (16) and Marcus Neilly (10 no) enabled the East team to reach a reasonable total score of 122 runs, and bat their full 50 overs, which appeared unlikely when they were struggling on 6/37 after 19 overs.

In reply, the RTC West team cruised to victory in 30.1 overs, led by their opening batter, Jagbir Malhi (64) and Josh McDowell (26). Kirby Mulligan came in at # 5 and hit a quick 12 not out to seal the win. The match was played in very good spirits, in keeping with the RTC tradition. The umpires presented the historic RTC trophy to the West team, led by Zach Rapa (Captain) and Connor Hindmarch (Coach).

HK&HDCA's showcase junior representative match known as the Glenn Hourigan Cup (GHC) has been held since 2003-04 and features the outstanding players in our district from the U/13 age group and below. This special annual contest was originated by the late **Tom Richmond** OAM, Life Member of HK&HDCA, Northern District CC and Coaches' Association, who passed the responsibility to **Bruce Wood** OAM (President, Coaches' Association); Life Member of HK&HDCA and the Coaches' Association, in 2010-11

The Cup is named in honour of **Glenn Hourigan**, who was the HK&HDCA Representative Secretary for 13 seasons from 1988-89 to 2000-01. He also held the roles of Assistant Organising Secretary for juniors (1987-88); Grounds Officer (2000-01); and delegate to IDCA from 1988 to 2001. For his services to cricket, Glenn was awarded HK&HDCA Life Membership (# 38) in 1997; and was a recipient of the Australian Sports Medal in 2000. Sadly, Glenn passed away on 3 May 2023 (aged 79).

This year's 21<sup>st</sup> GHC match was played on Sunday, 11 February 2024 at Karuah Park, Turrumurra. The Coaches' Association appointed **Riley McDowell** (East) and **Alex Fitzgerald** (West) to coach the GHC teams in this 50 over match, and they did a fantastic job, guiding their teams. **Alf James** OAM and **Steve Williams** were appointed to umpire this GHC match, which was Alf's 13<sup>th</sup> consecutive year as one of the GHC umpires.
