2026–27 Representative Squad Selections – Girls and U17

Boys

Thank you to all players who participated in the representative trials on Sunday 22 July 2026. We also appreciate your patience while we completed the selection process.

As in previous years, the standard across the trials was very high. For players who were unable to attend their trial due to injury, past performance was considered as part of the selection process. If your name is not listed this year, we thank you for participating and hope to see you again at next season's representative trials.

Selected players will receive further information shortly from their respective Age Coordinators regarding pre-season training, uniform orders and player registration. In the meantime, if you have any questions, please email HK&HDCA Rep Management at HKReps0@gmail.com.

Nomination of HKHDCA

In line with CNSW policy, every player must nominate one association for eligibility to play, regardless of whether they are an existing player of that association. If a selected player has not yet submitted their HKHDCA nomination, please complete this as soon as possible using the relevant link below.
